

Local 943 Legislative Committee

What is the “Local 943 Legislative Committee”?

It is a group of individuals willing to make personalized contacts with their members of the Illinois House and Senate to carry the message of the AFT, IFT and the message of working families.

What is the purpose of the committee?

The intention of the committee is to put activists in touch with legislators on a regular basis around key issues that face our membership. The result of conversations and communication should let legislators know that our members are their constituents.

What does the Committee do?

Meet with congressional leaders at their local offices

Make phone calls

Write letters or emails

*****Build and maintain a relationship with legislators*****

What is the time commitment?

Attend a couple meetings a year. We will provide training so you feel comfortable making legislative contacts. Meetings with legislators may be done in groups or individually.
